

Listing and Marketing

Local Focus

Worldly Knowledge

Cypress Real Estate Group offers listing and marketing services based on the principles of maximum exposure.

Tenants, owner users, investors, developers, agents, landlords; we make sure they all get the lease/sale information for your specific property. Our proprietary database gives you access to over 10,000 specific real estate contacts across Canada and the United States.

Listing and Marketing Services

Valuation – ensuring you are priced to maximize value and returns.

Marketing Materials – professional brochures, flyers, packages including detailed property information.

Signage – specifically designed for your location and property type.

Paper work – contract creation and review, ensuring all documentation is legally binding and includes critical terms.

Negotiation – high level market expertise provides knowledge and leverage during negotiations.

Contacts – access to contacts with expertise in construction, law, finance, design, I.T, space planning, etc.

Priority – we cap our property listing inventory so your property will never be lost in a catalogue of properties.
